

The Cave

Mumford And Sons

1. It's empty in the valley of your heart
The sun it rises slowly as you walk
Away from all the fears
And all the faults you've left behind

2. The harvest left no food for you to eat
You cannibal you meat-eater you see
But I have seen the same
I know the shame in your defeat

3. But I will hold on hope
And I won't let you choke
On the noose around your neck

4. And I'll find strength in pain
And I will change my ways
I'll know my name as it's called again

5. Cause I have other things to fill my
time
You take what is yours and I'll take
mine

Now let me at the truth
Which will refresh my broken mind

6. So tie me to a post and block my ears
I can see widows and orphans through my
tears
I know my call despite my faults
And despite my growing fears

7. But I will hold on hope
And I won't let you choke
On the noose around your neck

8. And I'll find strength in pain
And I will change my ways
I'll know my name as it's called again

9. So come out of your cave walking on your
hands

And see the world hanging upside down
You can understand dependence
When you know the maker's hand

10. So make your siren's call

And sing all you want
I will not hear what you have to say

11. Cause I need freedom now

And I need to know how
To live my life as it's meant to be

12. But I will hold on hope

And I won't let you choke
On the noose around your neck

13. And I'll find strength in pain

And I will change my ways
I'll know my name as it's called again
